ONE STEP PREP™

**GREAT FOR BAR-B-Q, HAMBURGERS,
FISH, AND POULTRY, ETC.**

FOR RAW PRODUCTS: Sprinkle contents liberally over all sides of meats and rub before cooking. It may be mixed with ground beef before cooking to enhance the flavor of meat loaf. Seasoned products may be cooked immediately after prepping. You may barbeque, bake, broil, fry, grill, smoke or use any conventional methods of cooking when using ONE STEP PREP™.

ONE STEP PREP™ adds a delicious flavor to meats, fish, poultry, vegetables and other items. It's particularly excellent for barbeque, hamburgers, steaks and chops.

This unique blend of spices can be put on items in one easy step without any additional seasonings.

RED RUB is formulated especially for poultry and fish, and also has a milder flavor with an appetizing color.

ONE STEP PREP™ is available in packages of 15 - 16 oz. bags and in 25 lb. bulk pack.
